been accounted for. Documentation in support is attached.

Payments have not been made for the following reasons and debtor proposes repayment as follows (explain your answer):

I am unemployed because of health reasons but I'm under the care of the Veterans Hospital and at the end of my treatment for PTSD, I will be 100% disabled of PTSD meaning that I'll have the TAX FREE income of about \$3400 per month as well the fact that my property will be a non-issue, as well I do have the lawsuit for the dog bite and my attorney wants me to have the surgeon to remove the excess bump on my left lower lip and soon I'll have the procedure and all will be covered and all bills paid.

My Apologize for the delays but, I want to keep my home and I promise to make this right. Attached is a document as proof of my hospitalization and I will keep you updated.

3. This certification is being made in an effort to resolve the issues raised in the certification of default or motion.
4. I certify under penalty of perjury that the above is true.
